Winners are requested to be in attendance in bowling dress at the conclusion of play, and to take up positions along the bank of the green so that they will be readily available when their names are called.

Spectators are requested to remain seated until the conclusion of the presentation of trophies and prizes **AND THE LOWERING OF THE FLAGS.**

## **CONDITIONS OF PLAY**

This Tournament will run according to the conditions and by-laws of the Northern District Bowls Board and according to the Laws of the Sport of Bowls as laid down by Bowls South Africa.

### **DUAL MEMBERSHIP**

Participants in the Tournament who have dual club membership within their district may enter for either club. The dual member must have been a member of the club entered for **at least** two months **prior** to the start of this tournament.

If players fail to comply with these conditions there shall be no refund of any entry fees paid by such players.

### **SUBSTITUTION AT THE COMMENCEMENT OF THE TOURNAMENT**

Should any player, being an original member of a Fours team entered for the Fours Championship, be prevented from attending the Tournament and a replacement, being a member of the same club, brought into her place before the commencement of the Fours championship, such player will be entitled to take the place of the original entrant in the Singles and/or Pairs Championships if she so desires, subject to notification to the Tournament Committee upon arrival of that team at their first venue. This notification should be done through the Tournament Official who will notify headquarters immediately.

A player who has fallen out of a competition cannot be brought in as a substitute in another team at a later stage. If a substitute has to be brought into a team, that substitute may play for as long as she is required, if she is available.

### **RESERVES AND SUBSTITUTES**

Where one player fails to appear within 10 minutes of the scheduled time for the start of a Fours match, a registered reserve or, if no reserve is available, one approved substitute shall be allowed to complete the team. If such player is brought in at the start of the match, she may play in any position. If the match has commences, the skip of the team or, if the skip is absent, the third, who shall then skip, shall arrange the positions of the reserve or substitute and of the other two players. The team concerned may decide to play with three players, in which case the team may be re-arranged and the players playing as lead and second while one player is absent shall play one additional bowl at each end during that time, but the team shall forfeit 25% (per cent) of its shots scored during the absence of the fourth player. Decimals of a point shall count as such. If, in a match resumed on another day, one of the players who comprised the team at the time the match was stopped is not available, the same conditions described above shall apply.

A player arriving after the start of a match, provided she does so before the completion of the fifth end, shall be permitted to join in the match at the start of the subsequent end if a reserve or substitute has not already taken her place.

### **SCRATCHINGS / DEFAULTERS**

Competitors who find they are unable to play and have to withdraw before the start of play, should advise a member of the Tournament Committee as soon as possible. Teams may not withdraw during the Tournament without prior approval of the Tournament Committee.

Competitors who default without a legitimate reason and without due notice to the Tournament Committee will be debarred from playing in the next Northern Districts Bowls Board SPAR Women's Classic Bowling Tournament.

## **DECLARATION FORM**

This must be filled in with **FULL** names spelt correctly and must be printed. No nicknames to be used. Please remember that Bowls South Africa Membership Cards must be produced at registration. Skips must record their telephone numbers where they can be reached during the Tournament.

## **SCORE CARDS**

Winners in each game, Fours, Pairs and the Marker in Singles, will be responsible for handing in the score card with the fully printed names of both teams (players in singles) and score, head by head, duly filled in and signed by **BOTH** skips, (or player in singles) to the duty umpire.

## **INTERRUPTION OF PLAY**

A game in progress may be stopped on account of darkness, weather conditions, or for any other valid reason, by direction of the Tournament Committee, or, on appeal, by order of the Umpire. The Umpire shall submit the appeal to the Tournament Official who shall immediately seek the instructions of the Tournament Secretary. Pending receipt of instructions from Headquarters, the Umpire shall decide whether play shall continue or be temporarily suspended.

The Umpire on duty may order a stoppage by ringing a bell. **PLAY ON ALL GREENS MUST CEASE IMMEDIATELY.** Incomplete ends shall be replayed. Measuring started may be completed. Neither the Tournament Official nor the Umpire has the authority to act in regard to cassation of play without the sanction of Headquarters.

In the event of inclement weather or other unforeseen circumstances, players should not leave the precincts of the Club until the Tournament Official has obtained sanction from Headquarters for players to leave.

## **CELLULAR PHONES**

Kindly turn off all cellular phones during playing sessions.

## **SKIPS REPORTING DUTIES**

Skips in the case of Fours and Pairs and the participants in the Singles event shall immediately on arrival at the venue of play report to the Tournament Official. A Fours or Pairs team or players in the Singles event failing to appear within 10 minutes of the published time for any match shall forfeit the match. The Tournament Committee may, however, at their discretion, allow the game to be layed at a later time or date. In the event of a team or player withdrawing for any reasons after the commencement of the Tournament all relevant results will be expunged.

## **FOURS CHAMPIONSHIP**

The Fours Championship will be played according to the Laws of the Sport of Bowls i.e. 21 ends will constitute a game. Section play will be on a Round Robin basis and will commence at 09:30 on Monday 9<sup>th</sup> June 2008. Trial ends may be played. All teams tying points for the first place in the respective sections will be included in the draw for the section play-offs, which will be contested on the knockout principle. Fours entries may consist of not more than five players (i.e. only one reserve is allowed), all of whom shall be registered members of the same club. To be eligible to play in the Tournament, a dual member should have been a member of the club entered for at least two months prior to the opening date of the tournament.

### **THE BLACKSTONE SHIELD**

The Blackstone Shield will be awarded to the winner of the Plate event, played by the two losing semi-finalists in the Fours, on the day of the finals. However, it must be noted that the Pairs and Singles finals will take precedence over the Plate event.

### **SINGLES CHAMPIONSHIP**

Section play will commence on Saturday 14<sup>th</sup> June 2008 at 08:30 and will be played on the knockout principle and on a closed-up draw. Final roll call at 08:15.

Twenty-one shots constitutes a win.

### **CLOSED-UP DRAW**

In order to eliminate walkovers being awarded in the preliminary and first rounds, the names of the entrants who fail to report by final roll call at the advertised venue for play will be eliminated from the championship draw. Thereafter, the names of players remaining will be transferred to the sectional chart. After the first round players may be allocated to play on any green.

### **CONDITIONS OF SINGLES PLAY**

In the case of a player entering only the Singles under one Club, then having resigned from the club and wishing to play for her new club:

- (a) the onus is on the first club to notify their district secretary **AND** the Tournament secretary of the resignation of that member.
- (b) the player's new club **AND** the player must then ask the Tournament Committee if such player has permission to play. This must be done as soon as possible.

### **PAIRS CHAMPIONSHIP**

Section play will commence on Saturday 7<sup>th</sup> June 2008, and will be played on a Round Robin basis. Section finals will be on a knock-out system and all matches up to and including the quarterfinals will be 15 ends. In the semi-finals and finals, 21 ends will be played. Section winners will be determined on points and shot aggregate. Trial ends may be played at the commencement of first and third games.

Should a player retire from the Pairs championship before the commencement of the competition, the remaining player shall be allowed to take a new partner from her own club even if the partner is a dual ember who has not registered in the **PAIRS CHAMPIONSHIP**.

### **SLOW PLAY**

The Tournament Committee advises that slow play will not be tolerated under any circumstances and players in the Singles and Pairs events will have to comply with these under mentioned conditions:

- ( I) In Singles, a player may only visit the head after her third bowls has been delivered. If an urgent visit to the head is required after her second bowl has been delivered, the player may ask the marker for permission to approach the head.
- ( ii) In the Pairs event only the skip may visit the head after she has played her second bowl.
- (iii) Laws 43 and 44 of the Bowls South Africa Laws of the Sport of Bowls will be strictly adhered to.

### **PLAY-OFFS**
